BRINGING TOGETHER ORGANIZATIONS TO BUILD COMMUNITY
DESIGN WEEK EVENT GUIDE

Bringing organizations together to build our design community

The annual celebration of architecture and design in Columbus.
The Center for Architecture and Design will celebrate local design during the month of October with a series of events focused on ReUrbanism. Join us in an exploration of initiatives and ideas that pave the way for inclusive, strong, resilient cities and urban cores of the future, where 80 percent of Americans are choosing to call home.
